Notes

Birthplace: Atsah

University: Ith

Kelly Clarkson grew up raising blue yaks on an Atsahn ranch. Bright and restless, she won a scholarship to university on Ith — the cultural and technological center of the sector. She excelled academically but never fit in among trillions of urbanites. Too educated to return to the farm, too rural for Ith's crowds, she joined Frontier rescue services to stay mobile and useful.

16 years as a rescue operator made her an expert in electronics — finding distress beacons, scanning for life signs, tr...
